And it's whispered that soon if we all call the tune
then the piper will lead us to reason
And the new day will dawn for those who stand long
and the forest will echo with laughter

If there's a bristle in your hedgerow don't be alarmed now
it's just a spring clean for the May queen
Yes there are two paths you can go by but in the long run
there's still time to change the road you're on

Your head is humming and it won't go in case you don't know
the piper calling you to join him
Dear lady can you hear the wind blow and did you know
your stairway lies on the whispering wind

For the solo and the remaining lyrics use a Am G F G barre chord
sequence

And as we wind on down the road
Our shadows taller than our soul
There walks the lady we all know
Who shines white light and wants to know
how everything still turns to gold
And if you listen very hard
the time will come to you at last
When all are one and one is all
To be a rock and not to roll

F maj7 G A m
And she's buying a stairway to heaven.
